

CREATIVITY

OUR
THINKING
AND LEARNING
STRENGTHS

Imagination Originality Inventiveness Ideas Inspiration Inspiration

ABOUT THIS STRENGTH

Creativity is coming up with new and helpful ideas and ways of doing things.

CREATIVITY IN ACTION

Charlie finds a box full of old board games. Some pieces are missing, but Charlie has a brilliant idea. He uses the pieces he has to make up a brand-new game.

I WONDER...

- How can we use our imaginations to solve a tricky problem?
- When do your best ideas come to you?

STRENGTH SPOTTING

Can you spot someone using this strength today?
How could you try this strength today?

“Don’t be afraid of silly ideas!”

CURIOSITY

OUR
THINKING
AND LEARNING
STRENGTHS

wonder interest questioning exploration discovery inquisitiveness open-minded

ABOUT THIS STRENGTH

Curiosity is taking an interest, asking questions and exploring to find out more about the world around us.

CURIOSITY IN ACTION

Chris enjoys learning about space travel. He wonders, "Could people really go to Mars?" Chris decides to find out more.

I WONDER...

- How does asking questions help us learn?
- What would you like to be more curious about?

STRENGTH SPOTTING

Can you spot someone using this strength today?
How could you try this strength today?

“Millions saw the apple fall, but Newton was the only one who asked ‘why?’”
B Baruch

JUDGEMENT

OUR
THINKING
AND LEARNING
STRENGTHS

critical thinking * reasoning * weighing-up * evaluating * open-mindedness * impartial

What do you notice?

ABOUT THIS STRENGTH

Judgement is thinking things through, considering different points of view before choosing what to do.

JUDGEMENT IN ACTION

Jack listens to both his friend's versions of a playground argument before helping them decide what's fair.

I WONDER...

- What questions should we ask ourselves before making an important decision?
- Why is helpful to stop, pause and think before reacting when you hear something surprising?

STRENGTH SPOTTING

Can you spot someone using this strength today?
How could you try this strength today?

“Do not judge a book by its cover.”
English Proverb

LOVE OF LEARNING

discovery * mastery * knowledge * fascination * engagement * absorbed

OUR
THINKING
AND LEARNING
STRENGTHS

What do you notice?

ABOUT THIS STRENGTH

Love of Learning is being enthusiastic about learning new skills and understanding new things. deeply about family and friends.

LOVE OF LEARNING IN ACTION

Lottie went to the library to try different craft activities. She really enjoyed learning about *Manga drawing*. She decided to find out more about it.

STRENGTH SPOTTING

Can you spot someone using this strength today?
How could you try this strength today?

I WONDER...

- What new skill would you love to learn if there were no limits (like time or money)?
- Do our brains get heavier or bigger on the inside when we learn new things?

“The more that you read, the more things you will know.
The more that you learn, the more places you'll go”
Dr Seuss

PERSPECTIVE

wisdom * viewpoint * insight * seeing the bigger picture * open-minded

OUR
THINKING
AND LEARNING
STRENGTHS

ABOUT THIS STRENGTH

Perspective means stepping back to see the big picture and understanding how other people see things differently than you.

PERSPECTIVE IN ACTION

Pip notices two of her friends talking. Suddenly one of them snaps at the other and walks away. Pip sees, Pat, the friend left behind looking hurt and upset. Pip explains to Pat that their friend's dog is ill, so he is probably just really worried and sad, and he didn't mean to snap.

STRENGTH SPOTTING

Can you spot someone using this strength today?
How could you try this strength today?

I WONDER...

- How can looking at a situation from someone else's perspective change how you think and feel about it?
- If you and your friend look at the exact same cloud, why might you both see completely different shapes?

“Every truth has two sides; it is as well to look at both, before we commit ourselves to either.”
Aesop (The Man and the Lion fable)
