Take 5... Competition

Rules

Closing Date is **Friday 14th February 2020 5.00pm**.

Only 10-16 year olds resident in Cornwall can enter.

HSK Youth, the young people who created the #StartNow website wanted to hold the competition to get

- loads of young people involved and;
- as many great ideas about looking after emotional wellbeing and mental health to use on the site as possible.

Because of this the judges (members of HSKYouth) will select as many entries as possible to feature on the website. All of those selected will be put into the prize draw with 20 chances to win £25 gift vouchers. We are asking entrants to agree that entries may be used by Headstart Kernow on the Start Now website even if they aren't winners in the Prize Draw.

Entries can be from individuals (with permission from a parent / carer) or via a school. Where a school enters a number of entries they will be considered for the overall school prize of an additional £500 toward their HSK Y3 funding for use by students.

All entries must be accompanied by an Entry Form. Please read our privacy statement before entering.

The judges' decision in all circumstances will be final.

Winners will be informed on **21st February 2020** and details posted on the website.

Some entries may be posted on the website before the closing date.

Any questions contact us

We look forward to receiving your entries…

… #StartNow!
